GIFTS FOR MINISTRY

- Preaching with wit and wisdom the redeeming, healing, love of God that transforms and liberates all human relationships
- Teaching the Gospel through critical engagement and intellectual struggle, coupled with a desire to think theologically together, so insights gained be applied to our mission, ministry, common life and lived with passion, and good humor
- Developing a caring faith community through creating and sustaining friendships, pastoral relationships, parish programs and administrative processes that are mutual, interdependent and intimate
- Prayerfully discerning, affirming, and enabling the release of the local church's unique gifts (both personal and corporate) for mission and ministry, undertaken with faithfulness, creativity and respect
- Joyfully meeting God's call on the local church to participate in the Kingdom of God.

UNIVERSITY OF SOUTHERN QUEENSLAND	Brisbane, Australia
1982	Graduate Diploma in Teaching, Secondary Curriculum areas: Geography, History
CENTRAL QUEENSLAND UNIVERSITY	Rockhampton, Australia
1981	Bachelor of Arts Majors: History, Geography, Literature, and Community Studies

PRESENT PROFESSIONAL RESPONSIBILITIES

Rector, (2000- Present) St. Michael and All Angels Episcopal Church, Stone Mountain, Georgia. Episcopal Diocese of Atlanta

Lead and manage a program sized church, supervise 8 staff (part and full time), with a combined budget (all programs) in excess of US \$330,000.00. St. Michaels is a multi-cultural and multi-national community (over 20 different nationalities) with over 300 connected households and 500+ members. We are located in racially diverse Dekalb County: our zip code 30083 indicates 90% of residents are black.

The four main outreach activities of the parish are: partnership with International Community School hosted on our campus, a Thrift Store in the main street of the historic village of Stone Mountain; hosting Sudanese Anglican community on our campus, and our strong support (money and volunteers) of the Stone Mountain Co-operative. Visit our web site www.stmichael.cc to learn more about our parish. Some accomplishments follow:

Provided Stable Pastoral Leadership and Vision in time of Transition

- St Michaels was a parish in chaos and decline, with membership dropping by 50% prior to 2000 (in the previous decade). This was due to a combination of factors, such as “white flight” intense interpersonal conflict among members on matters theological pertaining to sexual orientation, biblical inerrancy, and worship style. In addition there had been conflict between the rector and vestry over leadership style and management process; almost absent financial management, and inadequate stewardship (clear teaching and practice)
- There was unresolved anger regarding the leadership and management style of the previous three rectors (I am the fourth), and two interim rectors – particularly focused on their failure to manage interpersonal, and intergroup conflict.
- I have provided stable pastoral leadership, promoted healing and assisted the vestry to become healthy in its management of difference, in all its forms.
- All staff have written job descriptions and participate in annual evidence based performance evaluations (none were in place when I arrived)
- Vestry and rector participate in annual mutual ministry review

Developed Administrative and Pastoral Systems

- Initiated and oversee the creation of web site – sermons are online in MP3 format
- Supervised the upgrade of office communication systems, oversaw renovations of office complex (one of five buildings)
- Initiated the renovation of old rectory, now called John Titus House, for use of external and internal groups (it was not being used when I arrived in 2000)
- Redesigned parish newspaper (The Herald)
- Initiated regular parish forums (town hall meetings) to facilitate open communication between the vestry and parishioners
- Created a buildings and grounds committee to undertake deferred maintenance of parish property, upgrade building security and enhance landscaping
- Developed pastoral protocols for baptisms, weddings, funerals and house blessings
- Established a weekly healing service
- Established a monthly worship service at local retirement home (Park Springs)

- Established ministry to Seniors- monthly meal and social program held in parish hall, third Wednesday of month

Developed Stewardship and Financial Controls

- Initiated annual stewardship program held in month of October, with talks by lay leaders and clergy
- Initiated monthly education inserts in parish newspaper (on stewardship of time, talent and financial resources)
- Developed and oversee internal controls to ensure fiscal responsibility (parish has operated in the black the last four years), regular audit of books (see auditors letter attached)

Developed Pastoral Care and Spiritual Growth for All Ages

- Supported the introduction of Catechesis of Good Shepherd
- Introduced Education for Ministry program
- Initiated and lead a monthly group on Benedictine Spirituality, in co-operation with St. Bartholomew Episcopal Church
- Supported establishment of small groups for Lent
- Initiated regular large groups social events (80-100 persons) for fellowship and fun
- Initiated annual seder meal in Holy Week to build community and friendships

Initiated Outreach in Local community and Overseas

- Developed and oversee the hosting of International Community School on Stone Mountain Campus. ICS is a public charter school in Dekalb county. Over 50% of students are refugee. The primary campus is at Patillo United Methodist Church, Avondale Estates
- Developed Friends of Msalato – to support theological education at Msalato Theological College, Dodoma, Tanzania, belonging to the Anglican Diocese of Central Tanganyika (see www.friendsofmsalato.cc)
- Developed a web site for Msalato Theological College (see www.msalato.org)
- Collected and sent over 6,000 books to the college library (1500 of which came from Holy Innocents School per help of Fr. Trig and Fr. Jeff)
- Reestablished a working and pastoral relationship between the parish and scout troop 41 (started by parishioners over two decades ago, but suffered from benign neglect)
- Designed and lead an annual seminar on domestic violence, open to local community

Pastoral Consultant

Provide pastoral consultancy to the rectors, wardens and vestries of Episcopal Churches in the Atlanta Diocese on theory and theology of leading and managing a congregation

Field Supervisor, Anglican Studies Program, Candler School of Theology, Emory University, Atlanta

2000 – 2006: Provided regular supervision for seminary student doing field placement at St. Michael and All Angels Church. Previous students were male priest, ordained in the Anglican Church of Nigeria (18 years in active ministry) and a black, female ordinand from the Diocese of the US Virgin Islands.
