Mary M. Cramer
Co-Chair Search Committee
1221 SW 10th Avenue, #413

- ❖ Please Note:

As our search process unfolds, we will be very eager to learn the details of your ministry, colleagues with whom and for whom you have worked, your family background, the social context of your various ministry experiences, and many other details that you might wish to share with us. However, at this initial screening stage, to provide fairness in the evaluation process we have chosen, we want to evaluate your responses to these four questions without reference to your name, age, race, ethnicity or gender. We would ask you therefore, for this exercise, to avoid including demographic data (i.e., "As an... older/younger, Asian/Black/Caucasian/Hispanic, male/female... priest") in your responses.

Question 1

Please tell us how you have entered into and joined differing communities and found a place of shared delight that enabled you and them to work together.

Question 2

Please describe an experience of leading or supporting a group of people to innovate a new ministry. Describe how the idea arose, the nature of the innovation, how the team came to consensus, implemented their plans and what the outcome was.

Question 3

As you reflect on your life, what do you deeply love to do and brings you great joy? Tell us what fuels your fire. Please share a story of a time when you felt deeply satisfied doing what you love to do? How does that inform and inspire your ministry?
